500 JACKPOT PER DEAL - \$500

PROGRESSIVE INSTRUCTIONS

Operator: open progressive tab prior to the play of the game. If the concealed Donkey number matches one of the prize winning donkeys (1st, 2nd, or 3rd), then that player wins the progressive. If there is no match, then the jackpot rolls over. In the event the jackpot has reached a total of \$5,000, and a jackpot is not awarded, the operator shall then award the \$500 progressive contribution to the 5 down line ball winners @ \$100 each or the 5 bingo numbers beneath the 5 @ \$100 until a jackpot is awarded.
