FreedomPlay Flashboard Simply Entertain The Possibilities!

Cost-Effective, Customizable, Wireless Technology

• State-of-the-art, wireless technology. Dazzling display – in vivid color – with dynamic animations, all designed to captivate the crowd!

• Freedom from excess cabling, labor, maintenance, other costs & limitations.

• Sky's the limit! Display game on as many screens – at any size – you'd like!

• Free to choose make, model & dimension of any high-def TV – with HDMI port for video transmission.

 Installs on consoles, equipped with PowerPlay[™] software, meeting minimal requirements. Can also be hard-wired.

• Easier install. Includes software & small device that plugs into each TV.

• Ideal for entertainment, multi-media presentations/promos between games.

• 7 flashboard themes, customizable displays, high-res graphics, featuring "Champ" dog, other fun elements!

• Flashing last number called, last 10 numbers called, winner notifications scrolling message, logos & more!
