# TAB-e

TAB-e, among Video King's most popular portable gaming tablets, boasts the same fine features of The Champion II™, but at a reduced cost and weight!

Connected to a Wi-Fi network for device management and game play, this 2.5 lbs., touch-screen tablet covers approximately 10x6x2 inches from tip to tail. But, like the "Champ," its laser-sharp images virtually leap off this amazing, high-tech machine.

## Player Features:

- Easy-Grip Handle
- 7-inch Widescreen Color LCD
- Light-Touch Touchscreen
- Easy-To-Use Integrated Stand
- Great "On Table" Stability (Rubberized Contacts)
- Intuitive Graphics, Bright Screen
- Audio Notifications
- On 1 Away & Bingo!
- Selectable Background Colors, Dabbers & 1, 2, 4, 6 & 9 Card Screens
- Play Time Remaining Clock
- Wide Variety Of Games

## Hall Features:

- Easy For Players To Learn
- Compact, Lightweight
- Stacks Well For Carting Units Or Carrying Units
- Clearly Visible LEDs For Charge & Application Status
- Reliable Wireless Network Operation
- Easy Wireless Software Upgrades
- Minimal Returns/Repairs
- 3-Hour Charge Time
- Audio Speaker

The same sturdy design – with a convenient carrying handle and stacking points – the TAB-e can "run" with the Big Dogs, packing enough battery power to generate up to 12 hours of play.

Capable of playing hundreds of cards per game, the TAB-e supports both 75- and 90-number Bingo, and – at the same time – a wide variety of Video King's highly popular, credit-based, specialty games.

Multi-lingual with support for English, French and Spanish players, the TAB-e – packed with 9 lives o' fun – is "purrfectly" suited for play!
